Lowry Park Segment of the River Trail Now Open

Kerrville, Texas (May 27, 2016) – The City of Kerrville is excited to announce the Lowry Park Segment of the River Trail is now officially open.

A special ribbon cutting celebration was held on Friday, May 27, 2016, at the brand new Lowry Trailhead located at 217 Guadalupe Street.

This new segment of the trail connects Lowry Park to the Riverside Nature Center. With its completion, The River Trail now extends from Lowry Park to Kerrville-Schreiner Park and provides residents with more than four miles of trail to enjoy.

The City is already working on plans for the next phase of the River Trail, which will extend the trail to Guadalupe Park.
